

# WINE & SPIRITS Promotional Materials

Experts in "What If..."

## Wausau Coated Wine Chip Charts

Wausau Coated Products' Wine, Spirits and Craft Beverage Collection includes a large selection of facestocks matched with adhesives that perform in wine applications.

**2020 Classic** includes a variety of the more traditional label stocks such as coated, felt finished, foils and films.

**2020 On Trend** showcases just that, trendy label stocks including pearlescents, textures, even wood veneer.

**2020 Cellar Select** is a unique display of "What If..." possibilities in wine, spirits and craft beverage labels.

Contact Wausau Coated during the show or email [info@wausaucoated.com](mailto:info@wausaucoated.com) to request our Label Guides.

## Wausau Coated Wine Swatchbook

Wausau Coated Products' Wine, Spirits and Craft Beverage Collection includes over 145 stocked products including a large selection of environmentally responsible products.

Our **2020 Label Swatchbook** includes one of every facestock offered in our line. Each swatch includes a product description and chart of the adhesive/liner combinations for the product.

For additional product information or to request samples, contact us during the show or email us at [info@wausaucoated.com](mailto:info@wausaucoated.com) and tell us what you are interested in.
