Our focus is on service

Herti is a leading producer of aluminum, plastics and composite closures combining unique design with functionality and convenience. HL brand (Herti Limited) products are well known in more than 50 countries on five continents.

We started in 1993 with just one machine producing two dimensions of aluminum screw caps. Today, Herti manufactures more than a billion articles for closing almost every kind of bottle for clients who produce:

- Liquor
- Wine
- Mineral water
- Juices
- Other beverages
- Olive oil

No matter how complex your business questions, we have the capabilities and experience to deliver the answers you need to move forward.
