# BERLIN PACKAGING WINE COLLECTION

---

Berlin Packaging has vast experience in the wine market. We work with wine makers of all sizes to provide the industry's most complete packaging offering. While this book showcases only a small sampling of our customers, our robust array of wine packaging products and services includes:

- ✓ Design and innovation centers on two continents including Studio One Eleven<sup>®</sup>, a world-class agency that provides complete package design including structural, branding, graphics, and more.
- ✓ The largest collection innovative shapes from Bruni Glass, our Italian headquartered division and leading distributor of premium glass in Europe.
- ✓ Closures, capsules, and more from Bruni Erben, our UK division that offers a full array of finishing touches for every wine bottle.
- ✓ Global supply options from our 900+ manufacturing partners.
- ✓ In-stock bottles ready to ship.
- ✓ Warehousing and Inventory Management programs from our 130+ locations around the world.

What truly differentiates Berlin Packaging is our ability to help our customers grow their net income through our packaging products and services. As the world's only Hybrid Packaging Supplier<sup>®</sup>, we bring together the best elements of manufacturing, distribution, and income-boosting services to grow your bottom lines by helping you to increase revenues, decrease expenses, and improve productivity. Packaging is how we do this.

Want to learn more? Please contact us and we will make sure the right member of our 1,300+ global team finds you exactly what you need.

Cheers!
