THE CUSTOM HOMES STUDIO AT BAR ARCHITECTS & INTERIORS

**DESIGNING BEAUTIFUL CUSTOM HOMES** has been an intrinsic part of BAR's practice since the firm's inception 50 years ago. Highly personalized, each home uniquely reflects the aspirations, lifestyle and values of our clients. Using the power of architecture we bring beauty to daily life by blending art and function. Our interiors and outdoor spaces use natural light, select materials and the building's form to build upon each site's unique qualities. Through an inclusive and collaborative process with our clients, we listen, design and creatively conceive a home that fosters dreams and memories. Feel free to be inspired.
