

# CULTIVATING THE NATURAL TERROIR

WINERIES AND ESTATE HOMES

DESIGNED BY BAR ARCHITECTS & INTERIORS

## BAR ARCHITECTS & INTERIORS' *HISTORY of* WINERIES

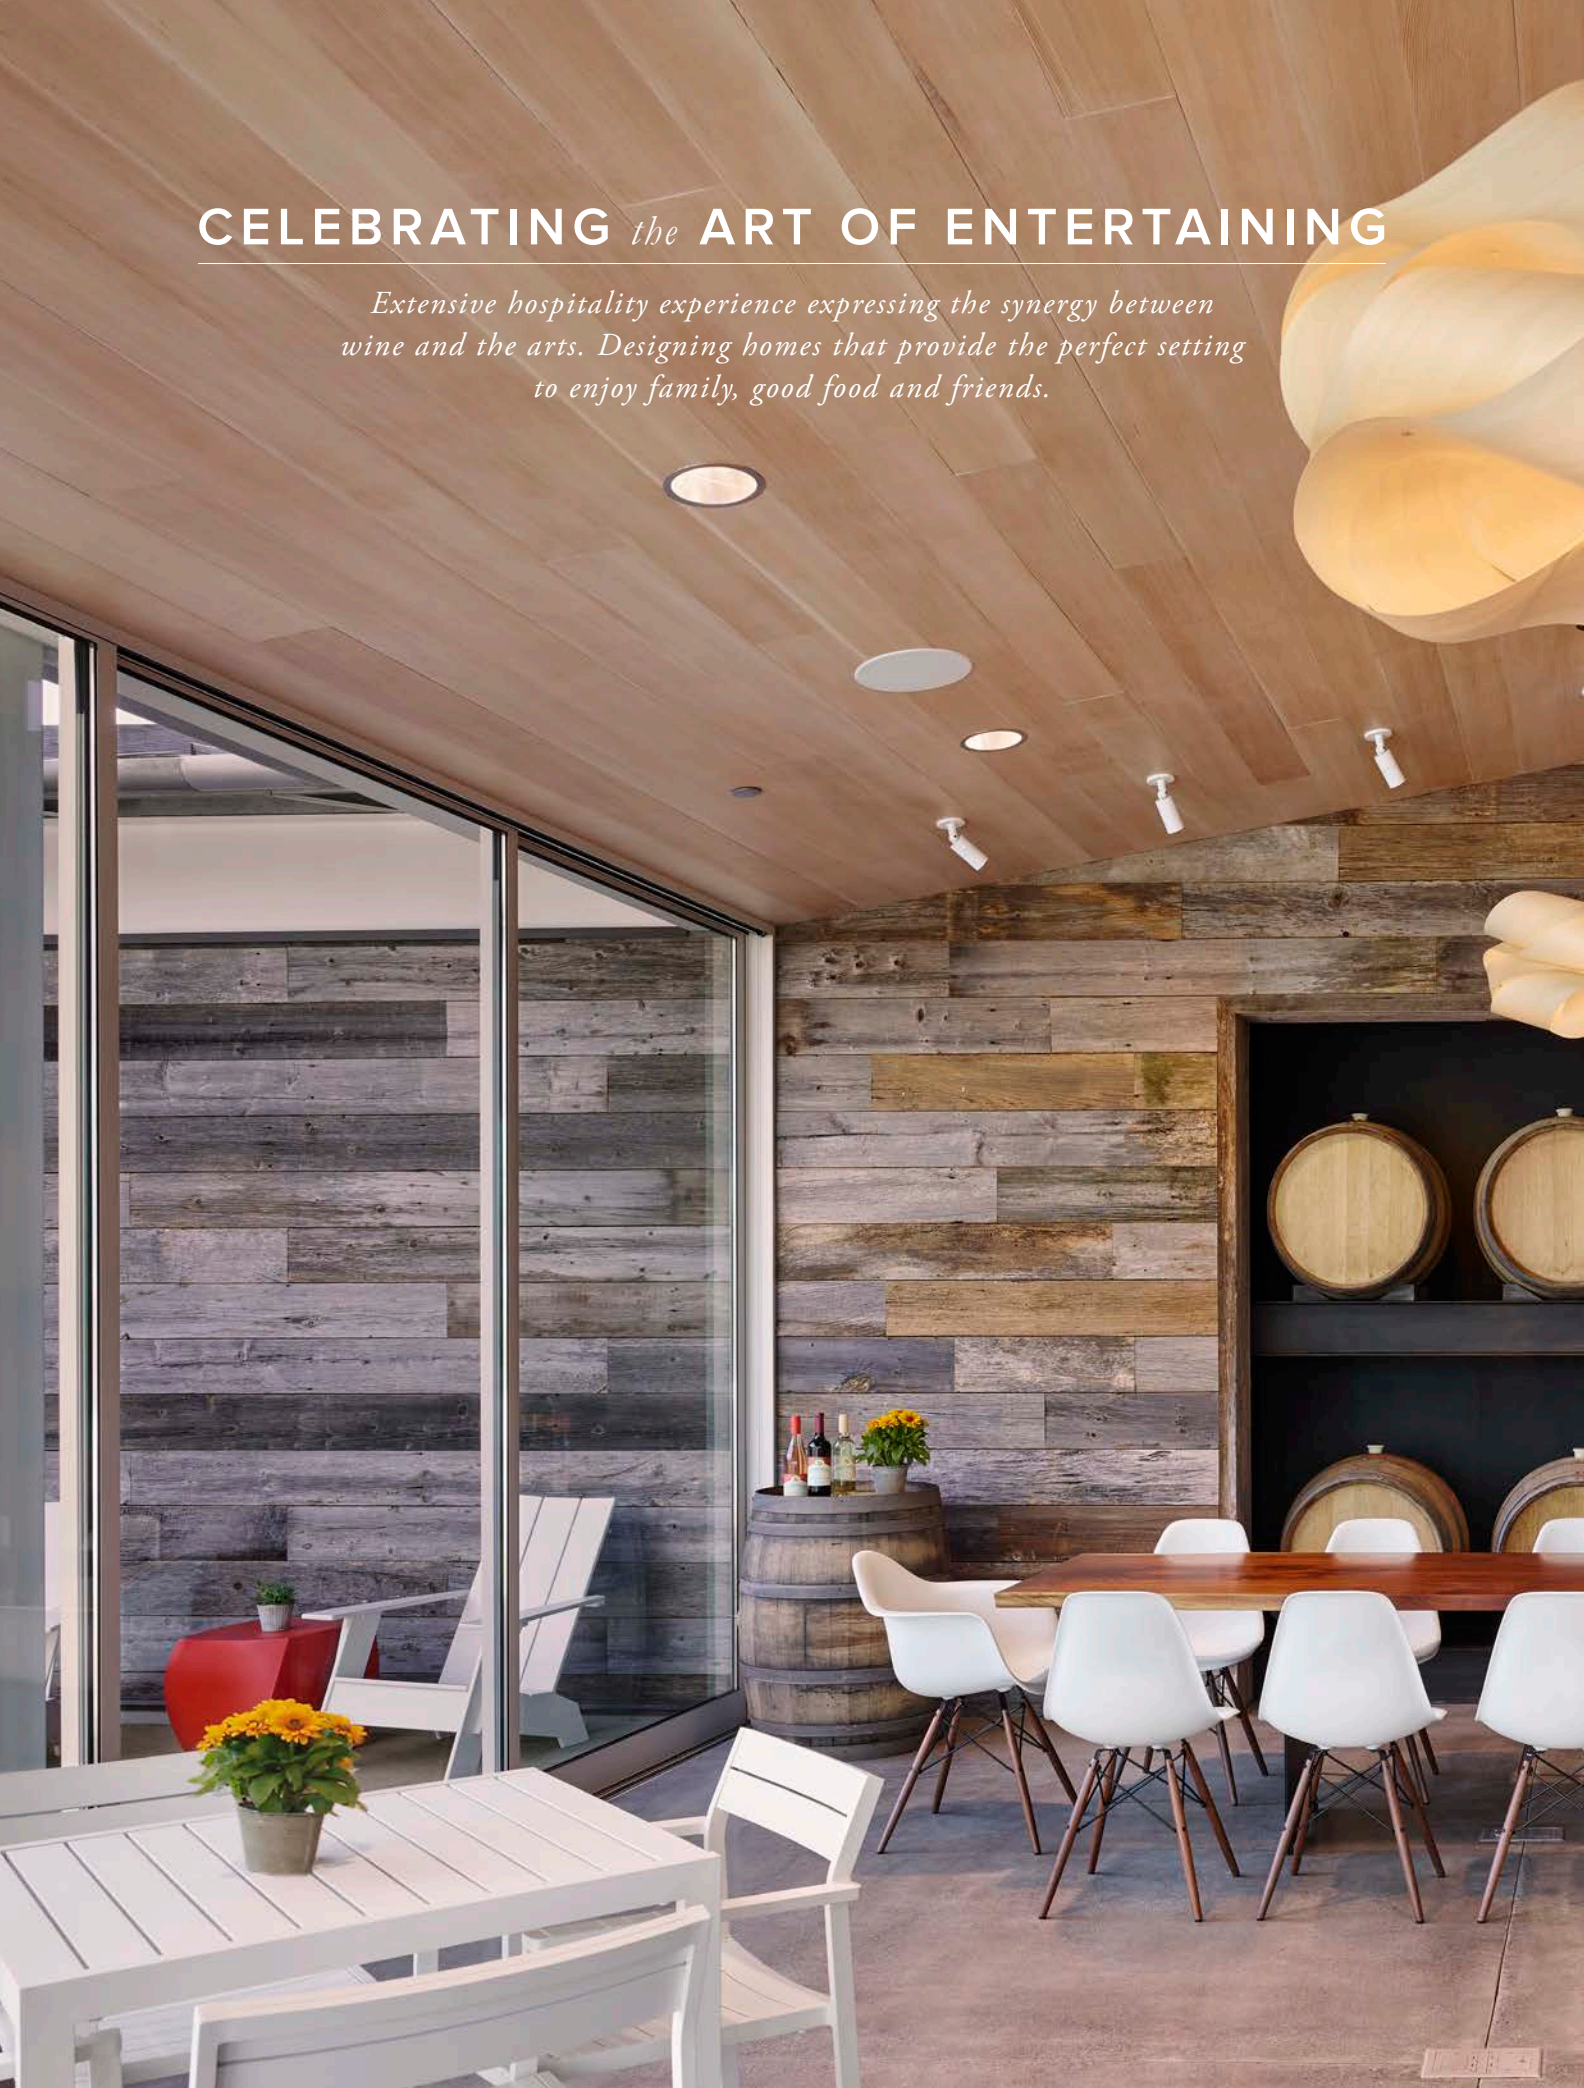

[BAR Architects & Interiors](#) is an 85-person architectural, interior design and planning firm known for designing a diverse array of award-winning wineries, estate homes and hospitality projects throughout the United States and internationally.

We have designed over 30 wineries ranging from 2,500 to 500,000 cases that include wine production and storage facilities, visitor centers, tasting rooms, reception areas, art galleries, conference facilities and retail operations as well as the design of vineyards, caves and winery tour sequence. In all of our projects, we incorporate sustainable design and construction principles, material selections and system designs to utilize resources in the most responsible way.
