Wines Vines Analytics

U.S. Wine Distributor Database

The first table below shows our count of unique wine distributors at the state level. Most of the top wine distributors operate in multiple states. Looking at the national level, our wine distributor includes 979 unique wine distributors.

Although the Wines Vines Analytics team updates distributors on a monthly basis, these tables are published semi-annually as a benchmark. The figures below reflect the distributor universe as of January 2018.
